PRINCIPAL’S REPORT

Last Friday two of our senior boys, Jasper Franklin and Kai McDonald, participated as part of a combined small school’s team, in the Clarence Primary Rugby League Trials. I was very proud at the end of the day to receive a phone call from one of the selectors telling me how well both boys had played and the excellent behaviour and sportsmanship they displayed all day. This is what we come to expect of our kids when they represent our school in the wider community and the families of both boys should feel justly proud of the terrific young men they are growing into – well done boys!

Thank you to the parents and community members who attended the P&C AGM last night. Congratulations to our elected executive: Robert Fahey (president), Paula Clausen (secretary), Franca Scalia (treasurer), Corina Lynch (1st vice president) and Michelle Wightman who will share the canteen supervisor position with Paula. Our next meeting will be on Tuesday night 8th April starting at 6pm with all welcome.

Many of the kids have been training on our 500 metre running track at school in preparation for our cross-country competition being held on Wednesday April 2nd at the Rodeo Grounds. Parents are welcome and, in fact, needed to help man checkpoints, record results and hand out fruit and drinks. If you are available, please come along to the Rodeo Grounds around 9:30am. This year we will have two options available for the kids. A competitive race to gain selection in our team to compete at the small schools cross country and a ‘fun walk’ for those who would rather walk the course with a group of friends and have a more ‘social’ time whilst still getting some exercise. Children will be asked to nominate which they would like to complete.

As part of seniors week celebrations, class 2/3 Mrs Andrews, Mrs Ware and Mrs Foley will be visiting Livingstone House next week to play games, interact and have lunch with the residents. The following week all classes will be involved in presenting our annual senior’s concert and morning tea at the hall.

A new shipment of school shirts has arrived – all sizes now available (I think)

Andrew

COMING EVENTS:

Mar 18 Class 2/3 students will visit Livingstone House for Seniors’ Week. The students will travel in by bus (permission note attached).

Mar 19 Ride2school -Bike Day – students need to bring their bike or scooter and helmet to school. These can be dropped off Tuesday or brought along Wednesday. Infants students will ride around the school, whilst primary students will ride to the Rodeo Ground.

Mar 27 Senior Citizens & Community Concert

This concert is for everyone. Don’t forget to bring along a cake, slice or a small plate of sandwiches for the morning tea. If you know of a local Senior Citizen, who did not receive an invitation please contact Rhonda
