Principal’s Report

P&C meeting
Tonight is the Annual General Meeting of our school P&C. It is at this meeting that all executive positions will be decided and we need some new members to take on these responsibilities. Please consider attending P&C and nominating for a position. Our meetings are relaxed and it is a good opportunity to be informed about what’s going on at school and to offer suggestions or volunteer your time to support our kids. Meeting starts at 6pm.

Cross-country representatives
Congratulations to Piper Franklin and Dane Olsen-Maas for their efforts at the Clarence District cross country races last Friday. Dane placed 12th and is a reserve for the team to attend the next carnival. Piper placed 9th and will now represent Clarence at the Mid-North Coast cross country carnival in Coffs Harbour on May 22nd.

School uniform
I am really impressed with our kids (and their parents) when I look out over the whole school each morning and see everyone in uniform! This isn’t just one day, but every day and I’m not sure how many other schools can boast the same. As a reward I’m shouting lunch this Friday for all the kids and any parents who’d like to come along. Hamburgers and a can of soft drink. If we have any vegetarians, please let me know ASAP.

NAPLAN starts Tuesday, May 12th.
Early to bed tonight and good, big healthy breakfast in the morning!

Athletics carnival
Our school athletics carnival will most likely be held near the end of term and I will know a definite date when the small schools carnival date has been decided. As with last year, we will hold the carnival at school and full canteen facilities will be available. Soon we will begin practising the field events here at school but children could start doing a little extra running at home in preparation. Running distances for children who turn 8 or older this year are: 100m, 200m, 800m.

Cheers,
Andrew

Coming Events

School banking every MONDAY.
Application forms available from the office!!
May 12 P&C AGM – 6.00pm ALL WELCOME!!
