Principal’s report

Small Schools Big Impact Concert
What a great night we had last Wednesday! The Saraton theatre was packed to capacity with children from our small schools and their families. Well done to our group of 30 performers whose interpretation of the ‘Grease’ songs and dances was very entertaining. All of their hard work at school and at home practicing has resulted in a sharp performance. Everyone I spoke to from the other schools told me how much they enjoyed our item and how great the kids were. I’m sure you would all join me in congratulating Mrs Andrews on the terrific job she has done in organising our school’s participation and choreographing the dance. Thanks also to the parents and community members who made the costumes and to all staff who helped on the night.

Popstars the musical
This Thursday the whole school is travelling to Grafton High School to watch a matinee performance of the GHS musical – Popstars. Please return permission notes along with $5 to school tomorrow. There will be no classes back at school as all staff are attending. Following the performance, students will walk to See Park for lunch and games before returning to school.

Student Wellbeing
The Department of Education has launched its revised Student Wellbeing Framework which encompasses a number of different policies which includes - attendance, nutrition, support for disabilities, suspension etc among others. It is timely for us as we are at the commencement of a new planning cycle and due to revisit our own school discipline policy. Early next term I will be seeking parent input into our school discipline policy and would like to hold a meeting at school to discuss aspects of it. Rules and expectations around student behaviour will not change but theses need to be communicated to parents and the community periodically. A school discipline policy is not just about what we do with naughty kids, it also includes strategies we use to reward and encourage the right behaviours.

Cheers,
Andrew
