Principal’s message

Small Schools swimming carnival

Congratulations to all of our swimmers who represented our school at the Clarence Small Schools swimming carnival last Friday. From all reports, everyone did their best and encouraged each other to do the same. Well done Cooper Knight who has been selected to represent the Small Schools at the Clarence zone carnival in the junior boys breaststroke event.

The NED message

Many parents may have heard their children talking about ‘NED’ and may not realise that it stands for: Never give up, Encourage others and Do your best. NED was introduced to our school 2 years ago as part of a travelling yo-yo show. Staff and students refer to the message daily and it has become a great way to focus our efforts in making positive changes. It’s a simple message that can easily be reinforced at home. Children are regularly acknowledged or rewarded at school for displaying one or more of the NED ideals.

School community get together

Our P&C are hosting a get together at school for all members of our school community. Everyone is invited but it would be especially helpful to all our new families as a way of meeting your neighbours and others in our wider school ‘family’. A BBQ and soft drinks are being provided free of charge, we just need to know who’s coming so we can order enough food. Please come along and have dinner and a chat, this is not a parent / teacher interview night, just a friendly get together. Sorry – as it is being held at school, no alcohol please.

Cheers, Andrew

The P&C would like to invite all Copmanhurst P.S. families to a ‘Meet & Greet Night’
