Principal’s message

Asthma / Anaphylaxis management at school
Children who require asthma or anaphylaxis medication (puffers and epi-pens) at school need to have an action plan that has been signed by their doctor and the school needs a copy of this. For some medications and some students it can be appropriate for them to carry their own medication to school and at school. A request form is being sent home today with students who currently have asthma puffers in their bags. This must be completed and returned to school if parents wish for their child to carry their own medication, otherwise puffers will need to be handed in to the front office at the start of the day and collected in the afternoon. Please ensure your child’s asthma/anaphylaxis action plan is up to date, signed by your doctor and a copy is given to the school.

Visiting performer feedback
Yesterday all children enjoyed the ‘Fish outta water’ show and at the end the performer, Charlie, came to see me to let me know what a great audience they were! She mentioned how engaged our kids were, how they asked great questions, laughed and applauded at appropriate times and displayed good manners. I love hearing this kind of feedback which I have passed onto the kids this morning and thought you should know as well.

P&C Committee for 2016
At Tuesday’s P&C AGM the following executive positions were filled:
President: Franca Scalia
1st Vice President: Terri Quiring, 2nd Vice President: Amber Biggs.
Secretary: Paula Clausen
Treasurer: Peter Quiring
Thank you to everyone for taking on these responsibilities and being a part of our parent group that supports the work of the school and enables many extra opportunities for all of our children.

Young Leaders Conference Brisbane
I will be travelling to Brisbane on Monday with our year 6 students to attend the Halogen Young Leaders Conference along with students and teachers from the other Clarence Small Schools. This will be a day of listening to inspirational leaders from a variety of professions. Our kids will join approximately 4000 other students from Queensland and Northern NSW. It’s a big day as we leave at 5:30am and return around 8:00pm!

Cheers,
Andrew

Help needed at Grafton PBR event!

The organisers of the Professional Bull Riding (PBR) event being held at the Grafton showgrounds on Saturday 7th May have offered our P&C the opportunity to provide ushers for seating people in the grandstand. For this they will donate $500 to our school P&C. We need between 10 and 12 parents to be able to arrive at 4pm and usher between 4:30 and 8:30pm. After that, ushers are welcome to stay and watch the action! If you are interested in helping out, call the school on 66473121.

Enjoy your week
